Presents

The Consolidated PBY Catalina

A Talk By

Richie Piper

Richie first became interested in aviation growing up near RAE Farnborough, watching the famous airshow. He learnt to fly hang gliders while at university in Bristol and then gliders, and gained his PPL while living in the USA. Gaining his commercial and instructor rating, on returning to the UK, and adding his CAA display authorisation flying his Harvard, Ryan PT-22, and T28 Fennec.

Richie also became a shareholder pilot in the Duxford based Catalina "Miss Pick Up"
